

# SCCS UNIFORM FAQ

## **Is there another option, other than a polo shirt, that students can wear?**

Yes. We have several oxford (button down) shirts available on our website. Either the polo or oxford shirt is required to be worn during school. Solid color t-shirts on the website are layering options, only to be worn under a polo, oxford or dress.

## **Do the plaid jumpers and skirts come in solid colors?**

Yes. In fact, we will only have solid colors (black, khaki, navy & gray) available until the Fall. We expect the plaid styles to arrive in late September/early October. Please note that the jumper is only available for elementary girls, but our skirts are available to order for K-12.

## **Can my child wear chino style shorts from another store if they look the same?**

No. All the shorts offered on the Lands' End website have the required inseam length for our dress code policy. If they decide not to wear shorts from our Lands' End website, they will need to wear pants, and ladies also have the option of wearing a dress, skirt, or skort if it is within our dress code policy.

## **Can I order any Lands' End skirt, skort, or dress in my child's size and not be concerned about a dress code violation?**

No. While the styles offered are of a conservative length, some may fall short of the length requirement. **It is your responsibility** to make sure you order the correct size and length to avoid a violation. Please reach out to Andrea Spencer if you would like to schedule a fitting before placing an order. [aspencer@sccs.org](mailto:aspencer@sccs.org)

## **Do I need to purchase a new set of P.E. clothes for my 6<sup>th</sup>-8<sup>th</sup> grader if they already have the old style?**

No. The new P.E. uniforms are only required for incoming 5<sup>th</sup> graders. Incoming 6<sup>th</sup>, 7<sup>th</sup>, and 8<sup>th</sup> grade students can continue to wear the old uniform. P.E. tops are gray, and all bottoms are black. No other colors are allowed for P.E.

## **If I order a gray sweater/hoodie for P.E., can my child wear that outside of P.E. during school?**

Yes. SCCS gray sweatshirts and hoodies from Lands' End or BSN are allowed to be worn over their uniform top.

## **Can my child wear any outer layers without an SCCS logo?**

Only outerwear, such as a jacket or raincoat, can be worn without a school logo. All sweatshirts, hoodies (including zip-up style), cardigans, and dress sweaters must be red, white, gray, or black with a current SCCS logo.

## **Is there a charge for the logo to be added to the clothing?**

Yes. \$5.95 per embroidered uniform top and \$3 for heat transfer (P.E.) will be added to your total. The store is designed so you cannot checkout without the logo, if it is a requirement on the item being purchased.

## **Are leggings permitted for younger grades?**

Solid color leggings may only be worn under a skirt or dress for K-12. They are not to be worn solely as pants.

## **We have spirit wear that I purchased from BSN or SCCS. Can I still wear that at school?**

If you purchased your spirit wear in the past year, then yes, you may continue to wear that as an outer layer during school. If your Spirit Wear has a cardinal, only the cardinal with teeth is approved. We will continue to offer Spirit Wear through BSN and we will have new styles available on our Lands' End website very soon.

## **I have spirit wear from a pro team with a similar cardinal logo. Is that allowed?**

No. You may not wear pro team spirit wear that has a similar logo to our school.

## **Can I return an item to Lands' End that has our school logo?**

Yes. Items that have our school logo can be returned to Lands' End for a Merchandise Credit, if it has the tags attached and is within 90 days of your purchase. Non-logo uniform items will be refunded to the original payment. A return label is included in every shipment on your packing slip. \$6.95 will be deducted from your refund if it is not issued as a Merchandise Credit. The full return policy is on their website for further details.
